Main activities	<p>This NRW State Kenjinkai Association is engaged mainly in deepening mutual friendship, mainly through social gatherings which are regularly held by people who are associated with Fukushima Prefecture, primarily in NRW state in Germany.</p> <p>In addition to regular social gatherings, we also provide information at various events. (We are helping at the Fukushima booth at Japan Day and at the Emperor's Birthday Celebration Reception by Consulate General representing Fukushima and introducing sake products). In addition to the above activities, this year we exchanged ideas and held Kenjinkai social gatherings together with the Fukushima Prefectural Governor Uchibori's visit in January. We also participated in the Ekiden Division as Fukushima Prefecture volunteers at the Dusseldorf Marathon Games in April, and in July, we actively participated in social gatherings with the members of the Fukushima Prefectural assembly members.</p>
